

**NO MORE 12 TRIES or WEB needed  
on USA MAZDA CODED!**

**Advanced Diagnostics USA is very pleased to announce yet another earth shattering development in the field of vehicle key programming!**

**Virtually any Mazda CAN (Incode/Outcode) vehicle can now be done in 60 seconds or less without using the web or obtaining a dealer Incode.**

**Our new software performs the calculation internally and does it all for you in seconds!**

**BEST OF ALL.....IT's FREE to all TCODE PRO ADS-133 Mazda CAN software owners!**

**\*YOU MUST HAVE SMC ENABLED ON YOUR TESTER IN ORDER TO USE THE NEW SOFTWARE\***

*\*non-smc users can continue to use the old web system or obtain dealer incodes themselves.\**

*this NEW SYSTEM in place on BETA 8.78 released July 10 2010.*

**For more information Call our sales office or contact your distributor!**
